## **Subex Azure appoints Darlington Jose Hector as Senior Manager – Public Affairs**

**Bangalore, INDIA:** Subex Azure Limited, a leading global provider of OSS solutions for telecom operators has announced the appointment of Mr. Darlington Jose Hector as the Senior Manager of Public Affairs.

Darlington Hector has been working with the print media for over 11 years. His last assignment was with The Times of India (TOI) where he functioned as the principal business correspondent. At TOI, he was responsible for covering diverse fields including telecom, automobiles and biotechnology. He was also responsible for the weekly automobile supplement called Times Auto. Prior to this, he had a stint with The Indian Express.

“Subex Azure is very pleased to have on board someone with Darlington’s extensive background in journalism,” said Subash Menon, Founder Chairman, Managing Director & CEO, Subex Azure Limited. “At a juncture when we are setting ourselves ambitious growth targets, his expertise will serve us well.”

Speaking on his new responsibility Darlington Hector said, "I am delighted to join a fast growing Indian multinational like Subex Azure, which has been making huge strides in the telecom software space. Its recent overseas acquisitions (Azure & Syndesis) are proofs of its growing stature.”

These acquisitions were two of the biggest ever acquisitions made by an Indian IT firm overseas, Azure’s deal size being US\$140 million and Syndesis US\$ 165.4 million.

## **About Subex Azure Ltd.**

Subex Azure is a leading global provider of OSS solutions with a mission to empower telecom operators to achieve competitive advantage and deliver new service experiences to subscribers. The company pioneered the strategic concept of the Revenue Operations Center (ROC) - a centralized and integrated infrastructure for end-to-end monitoring, measurement and control of the operator's revenue chain - to foster operational dexterity and hence sustained profitability.

Subex Azure's software portfolio powers the ROC and its best-in-class solutions enable new service creation, subscriber-centric fulfillment, provisioning automation, revenue assurance & cost management, data integrity management, fraud management and interconnect/interparty settlement.

Subex Azure's customers include 32 of the world's 50 largest telecom operators by revenue. The company has more than 150 installations in over 60 countries. Subex Azure was named in the prestigious Deloitte Technology Fast 500 Asia Pacific 2006 list of companies, underlining the company's growth and leadership status.

## **Forward Looking and Cautionary Statements**

Certain statements in this release concerning Subex Azure's products, strategy and future growth prospects are forward -looking statements, which involve a number of risks, and uncertainties that could cause actual results to differ materially from those in such forward -looking statements. The risks and uncertainties relating to these statements include, but are not limited to, market acceptance of Subex Azure's products and services, Subex Azure's ability to implement its growth strategy, competition in Subex Azure's areas of business and general economic conditions affecting the telecom industry.
